Summary

Detail-oriented Data Analytics student with expertise in **Python, SQL, Excel, and Data Visualization**. Skilled at extracting insights from structured datasets, creating dashboards, and solving business problems with analytics. Strong foundation in statistics, communication, and teamwork with hands-on project and internship experience.

Core Skills

Programming: Python, C, Java (basic)

Data Analysis: Pandas, NumPy, Matplotlib, Excel

Visualization: Dashboards, Reporting, Graphs

Databases: MySQL, MongoDB

Web Tech (basic): HTML, CSS, JavaScript, Tailwind CSS

Tools: Jupyter Notebook, Git/GitHub, VS Code

Soft Skills: Problem-solving, Time management, Team collaboration

Professional Experience

Intern – Data Analytics

Technohacks Solutions Pvt. Ltd., Nashik — Apr 2025 – May 2025

- Performed **data cleaning, analysis, and visualization** using Python and Excel.
- Applied **Pandas, NumPy, Matplotlib** for dataset analysis and insights.
- Designed dashboards and reports to present findings to mentors and peers.
- Learned industry workflows for handling real-world structured data.

Projects

DataMind AI – CRM System for Mobile Shops

Jan 2024 – Mar 2025

- Built full-stack CRM to automate sales, inventory, and customer records.
- Tech stack: **FastAPI, MongoDB, Next.js, Tailwind CSS**.
- Enabled real-time data storage, role-based access, and reporting.

Student Result Management System

MIT Polytechnic, Jan 2024 – Mar 2024

- Developed a web-based system for student result processing and grade calculation.
- Tech stack: **HTML, CSS, JavaScript, PHP, MySQL**.
- Reduced human error and improved efficiency in result management.

Education

B.Tech – Computer Science and Engineering (AI & Data Science)

2024 – 2027 (Pursuing) Sanjivani University,

Kopergaon

Diploma – Computer Engineering

2021 – 2024 MIT Polytechnic, Rotegaon

Certifications

- IBM Cognos Business Intelligence – IBM SkillsBuild (2025)
- DevOps Essentials – IBM SkillsBuild (2024)
- Python Programming Fundamentals – Infosys Springboard (2024)
- Data Analytics with Excel – Internshala Trainings (2025)
