Motivated and tech-savvy Computer Science student with hands-on internship experience in software development and debugging. Skilled in problem-solving, database management, and collaborative teamwork. Strong adaptability and organizational skills with proven achievements in technical competitions and hackathons. Eager to contribute innovative solutions and grow within dynamic technology-driven organizations.

EDUCATION

Bachelor of Technology - Computer Science & Engineering Sanjivani University, Kopergaon	CGPA: 7.77/10	2024 - 2027
Diploma in Computer Technology Sanjivani K.B.P Polytechnic, Kopergaon	Percentage: 84.57%	2021 - 2024
SSC - Maharashtra Board Swami Vivekanand International School, Ganeshnagar	Percentage: 79.20%	2020 - 2021

TECHNICAL SKILLS

Programming Languages: Java, Python, JavaScript, c++
Database Management Systems: MySQL
Frameworks & Technologies: Spring Boot, Spring Framework, Applet
Web Development: Frontend (HTML, CSS, JavaScript), Backend (Java, Spring Boot)
AI / LLM Skills : Large Language Models (LLMs), Prompt Engineering, Agentic AI Concepts
Tools & Platforms: Git, Github, VS Code, Eclipse, Google Colab, Postman

PROJECTS

Developed a Network usage and Traffic Analysis System

- Developed a Network Usage and Traffic Analysis System using Java and Spring Boot to monitor and manage network data.
- Designed and implemented RESTful APIs for handling network usage records and traffic statistics.
- Implemented CRUD operations for network usage and traffic data management.

INTERNSHIPS

HCL Tech	Jun 2025 - Aug 2025
- Worked on a real-world enterprise application using Spring Boot, Java, and MySQL. - Designed and developed RESTful APIs for CRUD operations and business logic. - Collaborated with the development team to identify practical solutions. - Strengthened problem-solving skills through real-world challenges.	

- Gained exposure to real-time project lifecycle including requirement analysis, development, and testing.

Techking Solutions, Shirdi

Jul 2023 - Aug 2023

- Learned the fundamentals of web development including HTML, CSS, and basic JavaScript.
- Gained basic exposure to Python programming and simple scripting concepts.
- Observed and assisted in basic web application tasks under team guidance.

Ethara.ai

- Worked as LLM Post Training Intern
- Practical understanding of LLM post-training workflows
- Exposure to model evaluation and benchmarking
- Experience analyzing model outputs across different prompts

CERTIFICATION

-
- | | |
|--|--------------------------|
| • Java Fundamentals | Issued by Oracle Academy |
| • Introduction to Large Language Models(LLMs) | Issued by NPTEL Swayam |
| • Industry Internship Project in Full Stack Java | Issued by HCL Tech |

ACKNOWLEDGEMENT

I hereby declare that the information provided above is true and correct to the best of my knowledge. I am confident that if given an opportunity, I will deliver my best and contribute positively to the growth of your organization.
