

AMBRE SARTHAK HARISH

Software Engineer

+91-9021257065 — ambresarthak400@gmail.com — linkedin.com/in/sarthak-ambre-b35737273

Professional Summary

Entry-level Software Engineer with foundational experience in Java and Spring Boot-based backend development and basic cloud computing concepts. Skilled in building RESTful APIs, SQL database operations and web technologies, with hands-on exposure to AWS services and enterprise software workflows. Motivated to continuously learn, solve problems, and contribute effectively within collaborative development teams.

Technical Skills

Languages: Java, Python

Backend: Spring Boot, REST APIs, JDBC, MVC Architecture

Databases: MySQL, Firebase

Tools: Git, Postman, VS Code

Concepts: OOP, CRUD, SDLC, API Design, Debugging, Data Structures

Experience

Spring Boot Intern — HCL Technologies (Remote)

May 2025 – July 2025

- Industry-oriented internship project focused on full stack Java development.
- Developed and tested 4-5 backend application modules using Java and SQL under mentor guidance.
- Implemented CRUD operations and database queries to support basic business workflows.
- Collaborated in a remote team setup following SDLC phases including development and testing.

Projects

Cloud-Based Student Document Access System — AWS, Spring Boot

- Deployed application on AWS EC2 and managed document storage using S3.
- Configured IAM roles and security groups for secure access control.
- Automated document handling, reducing manual effort by 60%.

Herbal Health Information App — Java, Firebase

- Developed a mobile app with real-time database integration using Firebase.
- Implemented CRUD operations for dynamic health data management.

Hyper-Spectral Imaging and Color Science — Python

- Performed image processing and dataset analysis for skin cancer detection.
- Applied preprocessing and feature extraction techniques.

Certifications

- Oracle Certified – Java Fundamentals
- NPTEL – Design and Analysis of Algorithms
- Industry Internship Project in Full Stack Java – HCLTech (2025)
- 3rd Place – Spectra Vision Workshop, Taiwan
- NASSCOM EDA (AI ASCEND – Accenture)

Education

Bachelor of Technology (B.Tech) in Computer Science and Engineering
Sanjivani University, Kopergaon, Maharashtra

Pursuing
CGPA: 7.23
